

Roger Taylor

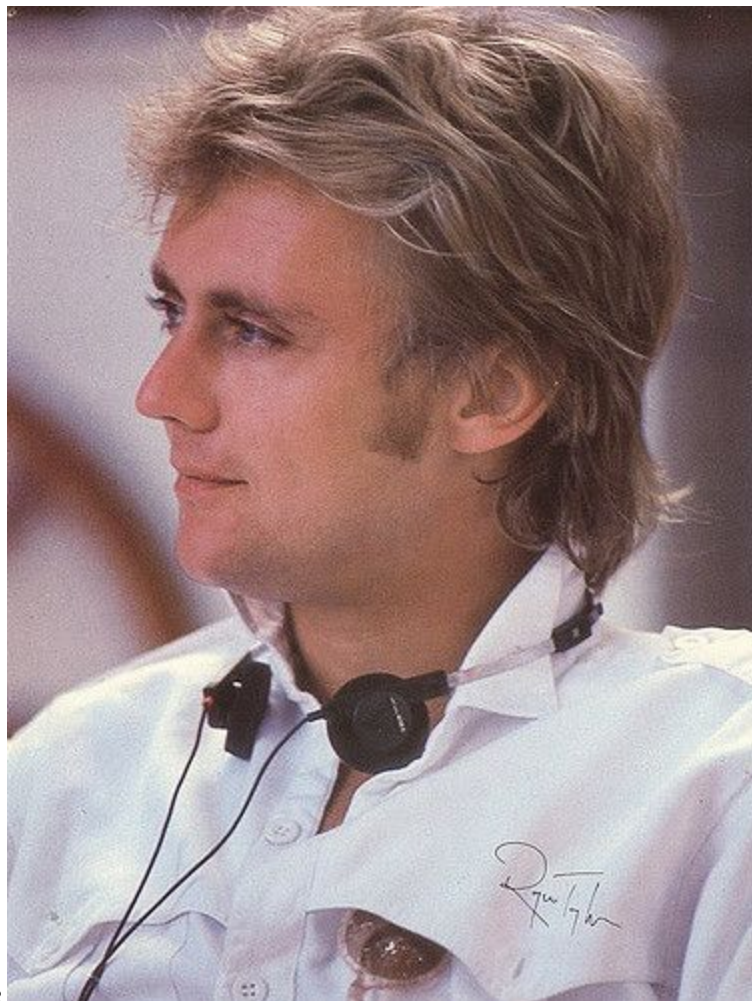

Childhood

.....Was born on July 26,1949 in King's Lynn,England,United Kingdom. He went to Truro Cathedral school, Truro school,Gaywood Primary school,and Bosvigo school. He also formed two bands:the Bubblingover Boys,and the Cousin Jacks. He also joined the local band Johnny Quale and the Reaction. He joined the band Queen in 1969 because Freddie Mercury was living in the same apartment as him.

Accomplishments:

Roger Taylor can hit really high notes through his own pipes, like in Somebody to Love. Peoples think that when Roger Taylor hits the high note in Somebody to Love, it's a guitar. He also wrote some famous Queen songs.

Personal Life:

In 1977 Roger Taylor met his future girlfriend: Dominique Beyrand. They lived together from 1980 to 1987. They raised Felix Taylor and Rory Taylor. Roger Taylor and Dominique divorced in 1987. Then, Roger Taylor and Dominique Beyrand divorced in 1987. Then Roger Taylor remarried to Deborah Leng. They raised Rufus Taylor, Tigerlily Taylor, and Lola Taylor. Then, THEY DIVORCED!-ANOTHER DIVORCE! Then, he remarried to Sarina Taylor. In 2001, he was introduced to the Rock and Roll hall of fame as a member of Queen.

Isn't it amazing that Roger Taylor performed in many different bands? Isn't it awesome that he wrote some famous Queen songs? Isn't it weird that he divorced 2 times? In the future, try to meet Roger Taylor!
